

LOUISIANA WILD LIFE AND FISHERIES COMMISSION

MEETING HELD IN BATON ROUGE

AUGUST 2, 1966

A Special Meeting of the Louisiana Wild Life and Fisheries Commission was held in Baton Rouge, Louisiana on Tuesday, August 2, 1966.

At 9:00 A.M. there was an informal session in the Director's Office in Peabody Hall in Baton Rouge, which was held for Board Members discussions.

The Public Meeting was held on Tuesday, August 2, 1966 at 3:00 P.M. in the Conference Room of the Louisiana State Library in Baton Rouge, Louisiana.

Members present at both meetings were:

Jimmie Thompson, Chairman

H. B. Fairchild, Vice-Chairman

A. J. Buquet

Jerry G. Jones

John Edwin Kyle, Jr.

Hobson Norris

H. Clay Wright

Absent: None

The meeting was called to order by Chairman Thompson at 3:00 P.M. and stated the first order of business.

Chairman Thompson said the approval of the minutes of the regular monthly meeting of July will be dispensed with until a later date.

Chairman Thompson then stated that he received a letter of resignation, dated August 2, 1966, from Mr. J. D. Hair, Jr., Director of the Commission, which read as follows:

"I have this date tendered my resignation as Director of the Department of Wild Life and Fisheries, effective August 15, 1966. I wish to take this opportunity to thank Governor McKeithen, The Board, departmental employees, and my many friends for the kindnesses and courtesies which have been extended to me during my term as Director. I can conscientiously say that I have always done my best and that I have never knowingly done wrong to either the Department or any individual. During the 26 months in which it has been my honor to serve my State, I feel that the Department has made many impressive strides. I know that much remains to be done and I will always be willing to help in any way that I can.

"I have taken this step of resignation as it has become obvious to me that my position is an untenable one because of a series of minor circumstances which have been unfortunately enlarged in the public mind.

Sincerely,

/s/ J. D. Hair, Jr."

On motion of Mr. Jones, seconded by Mr. Kyle, the following resolution was unanimously adopted:

BE IT RESOLVED that the Louisiana Wild Life and Fisheries Commission does hereby accept the resignation of J. D. Hair, Jr. as Director, effective August 15, 1966. J. D. Hair, Jr. is

of his duties effective August 9, 1966, at which
Thompson, Chairman of the Commission will serve as
Director without pay from August 9, 1966 through August 15,

On motion of Mr. Jones, seconded by Mr. Kyle, the following
resolution was unanimously adopted:

BE IT RESOLVED, that Dr. Leslie L. Glasgow, be and he is
hereby appointed Director of the Louisiana Wild Life and Fisheries
Commission, effective August 15, 1966, to succeed Mr. J. D. Hair, Jr.,
who shall serve as Executive Officer and Administrative Officer
of the Commission and shall be the Secretary of the Commission;
that the said Director be and he is hereby authorized to and on
behalf of the Louisiana Wild Life and Fisheries Commission, to
sign and execute any and all vouchers, checks, warrants for the
withdrawal or disbursements of departmental funds and such other
documents as may be necessary or required in connection therewith
and to do any and all things necessary or required in connection
with the discharge of the duties of his office.

BE IT FURTHER RESOLVED that Dr. Leslie L. Glasgow is the
appointing authority for both classified and unclassified personnel
of the Louisiana Wild Life and Fisheries Commission up to but not
including Chiefs of the various divisions. Appointments of said
chiefs shall be made by Dr. Glasgow with the advice and consent
of the Louisiana Wild Life and Fisheries Commission.

On motion of Mr. Jones, seconded by Mr. Kyle, the following resolution was adopted:

BE IT RESOLVED that the Louisiana Wild Life and Fisheries Commission does hereby direct that the employment of Coburn Hood be terminated as of now and Mr. Hood be paid the salary of Enforcement Chief for the period he served and that he be paid all accumulated leave in accordance with law.

Mr. Buquet stated that this resolution puts him in an embarrassing position and he would recuse from casting a ballot and said he was not satisfied at present to fire Mr. Hood.

Mr. Fairchild stated that he would abstain from voting and Mr. Thompson concurred with Mr. Fairchild in the voting also.

Chairman Thompson asked for a show of hands and the vote was four (4) to nothing, with the motion being carried.

Chairman Thompson then recognized Mr. Carlos Spaht to the floor.

Mr. Spaht stated that he was requested to come to the meeting representing the Governor. Mr. Spaht said that he wanted to thank the Commission and express the appreciation of the Governor for the fine work they have done. In so far as Mr. Hair and Mr. Hood, the Governor has nothing but confidence as to their integrity and regretted that there has been some friction. Mr. Spaht said that the Governor feels that Dr. Glasgow, the gentleman the Commission has employed, will be able to work in harmony which is very important to Wild Life and Fisheries and will do the job that

we want for the State and for the people. Mr. Spaht said that he would like to express the appreciation for the cooperation the Commission has given and if there is anything the Governor can do in the future he asked for you to please call on him.

Chairman Thompson then called on Mr. Joe Herring to tell the Commission about the setting of the coming year's hunting season.

MR. Herring announced the regulations for the 1966-67 hunting seasons on Resident Game Birds and Animals; Migratory Birds, which was accepted and approved at the meeting of July 26; Turkey schedule; the Deer Hunting Schedule; and, the Game Management Areas Schedule. Mr. Herring said that all recommendations have been considered in these schedules and recommended that the Commission approve them.

Chairman Thompson asked if there was any other business to come before the Commission and recognized Mr. H. D. Simpson.

Mr. Simpson stated that he was there representing the citizens

of Louisiana and asked several pointed questions regarding Commission procedures and administrative practices. Chairman Thompson requested that Mr. Simpson put into writing the specific questions that he desired to have answered and he would make every effort to supply him with those answers at a later date.

Mr. Bill Day was recognized and he also had questions to ask the Commission concerning Orders to Cease and Desist in connection with stream pollution in the Alexandria area. Chairman Thompson stated that he did not know the answers to the particular questions and requested Mr. Bob Lafleur to try to answer the questions. Mr. Lafleur said that these orders had been drawn up on a stencil and Mr. Hair's signature was on it. Since he had resigned, Mr. Lafleur stated that further action on these orders will probably have to wait until the new Director takes office. The Director of the Louisiana Wild Life and Fisheries Commission automatically becomes Chairman of the Louisiana Stream Control Commission.

MR. Mike Cook of the States-Times News asked for an explanation for the firing of Mr. Hood. Chairman Thompson said that the vote spoke for itself and that Mr. Cook would need to talk to the Commission Members individually for an expression of views.

On motion of Mr. Buquet, seconded by Mr. Kyle, and there being no further business to come before the Commission, the meeting was adjourned.

Jimmie Thompson
Chairman
